Daniel D. Healy, the Republican candidate for President of the County Board, is probably the best fitted man for the place in Chicago. After the "boodle" board had been put out Murry Nelson, the Board of Trade man, was instrumental in having the position of Auditor of Accounts created and Mr. Healy was given the place. He is a native of Ireland. During the war he served as assistant engineer of the gunboat Carondelet under Admiral Porter.

John Ritter is a well-known Hebrew citizen and is engaged in the clothing business in the First Ward. He was born in Poland and came to Chicago from Scotland in 1875. He is connected with several clubs.

David Martin is a Fourth Warder. He is a member of the commission house of Conover, Martin & Co., doing business at the Stock-Yards. He was born in Pennsylvania. Theodore W. Jones was put on the ticket to represent the colored Republicans. He has lived in Chicago since he was a boy. He was educated at Wheaton College. He is engaged in the transfer and express business.

Gustav W. Kunstman is a member of the present County Board and his record is good. He is a native-born Chicagoan and received his education at the public schools and the Northwestern University. He was the real estate editor of an evening paper for several years and is now in the real estate business.

John N. Cuning is also a member of the present board. He was born in Wisconsin, and came to Chicago in 1863. In 1864 he entered the building and contracting business on his own account, and has been successful. He has devoted much time to looking after the interests of the county. He is President of the Minnetta club, and is a member of several other organizations.

Charles Burmeister is another member who was nominated by the Republicans. He is a leading German-American, and will receive the solid vote of this element. While a native of Germany, he came to Chicago at the age of 11 years, and was educated in the Chicago public schools. He is engaged in the undertaking and livery business.

John A. Linn is a Scandinavian by birth, but has lived in Chicago for nearly forty years. He is also engaged in the livery business. He has been an active party worker many years.

Louis H. Mack is also in the livery business. He resides in the Thirteenth Ward. He is a native of Illinois, and came to Chicago some years ago. He has never held a public office.

Thomas McNichols is a native of Chicago and a resident of the Eleventh Ward. His parents came from Ireland. He is a member of the present board.

George Struckman has been a member of the County Board since 1888 and is now serving as President. He has an excellent record on the board. He is a native of Germany and served in the civil war as a Union soldier. He is Secretary of the Hanover and Wayne Farmers' Mutual Fire Insurance company. Mr. Struckman, O. D. Allen, George D. Unold, J. M. Munn, and Henry Beer were nominated to represent the country towns.

George D. Unold is a well-known farmer and merchant residing at Lyons. His nomination has brought strength to the ticket.

Oscar D. Allen is also an old member of the board. He was first elected in 1880, and has a good record. He is a commission merchant and lives at Oak Park.

Capt. James M. Munn lives at Evanston. He is a veteran of the late war and an enthusiastic G. A. R. man. He has lived in Illinois since 1840. He is at present Deputy County Clerk.

Henry J. Beer has been a Deputy Sheriff since 1882. He is a native of Germany and came to America soon after the Franco-Prussian war. He lives at Blue Island.
