

## ROBBED

Duke Jolinson of the Justta Trio reports that the act's trunks, which were stored in the warerooms of the Commonwealth Storage Co., were broken into and over \$1,000 worth of clothing and jewelry taken. Attorney Latham has charge of the settlement of the affair. In the meantime the Justta Trio is playing many dates in and around Chicago.

Lieut. Noble Sissio, Al Johns, Alex. Jackson and several other members of Jim Europe's Band, called on Monday. Roginald DuVallo, John Stewart, Bert Evans, Calvin Jones and Leo Perry, musicians from Indianapolis, Ind., also called, and it is understood that the last two mentioned will join the above aggregation at the end of the present week.

Malloy & Harkum are playing the week at the Star theater, Pittsburg, Pa.
